This record is from the ARRT Verify Credentials directory, which is the primary source for verifying certification and registration status of ARRT medical imaging and radiation therapy professionals. The directory is updated daily.

Medical imaging and radiation therapy professionals must renew their credentials each year. The "Valid Thru" dates reflect this person's annual renewal date. ARRT registrants must also complete and report continuing education activities every two years. The "CE Biennium" shows the dates on which this person's two-year period begins and ends.
